SAGE TWO is a flexible, ten-sided space, and is set up for each concert according to what will provide the best experience for the audience.

A copy of our full terms and conditions is available on our website. A package handling fee of £3 applies per transaction. No additional fees apply when booking individual tickets along with your package.

We regret that no refunds can be given except where an event is cancelled.

However Ticketplan refund protection is available at £2 per ticket (see website for more details). We will always attempt, where possible, to exchange unwanted tickets for concerts as long as we have the tickets returned to us at least 24 hours prior to the performance, for an administration fee of £2.50

(this fee does not apply to package bookers exchanging for another package concert within the same season). For every performance one free ticket is available for the essential carer of those who need assistance to attend the performance.
